Hi! I ~~am~~ am very glad to get your message, and I can help you to solve your problem. I prefer wearing casual clothes, like: T-shirt, shirts, some socks, scarfs, and so on. In my opinion, it is more comfortable to wear it. But, if you want to buy some official ^{clothes}, I can recommend you some of this clothes. For example: blouse, jeans, official scarf or maybe even jacket. It depends on your own view. If you want something connected with sport, I advise you to buy sport clothes, like: boots, shirts, the same T-shirts, sportish shoes, and etc. If you ~~are~~ are not interested in sport, it is the best variant to choose on your own opinion. Maybe you want something suitable, like an official costume or (sport) sport clothes, casual clothes or something else. If you didn't choose anything, we can go to the nearest shop - Batyr-mall, which is situated not far from my house. What do you think? Shall we?

Batyr-mall is very large shop, where you can find a lot of ~~different things~~ useful things, clothes, food and different funny activities, like: ice-skating, cinema, attractions and so many details. What is more, there are a lot of choices of beautiful and not expensive clothes. ~~The~~ The cost of ~~costs~~ ^{clothes} is not very expensive, but very comfortable, beautiful, ~~and~~ The people often bring there some new clothes, that is why there are a lot of kinds of clothes shop ping.

On my own view, it is the most famous and best clothes shop, because besides clothes, we can have a meal there, or what is more, there are a lot of attractions there, and ~~a lot of~~ activities to do. ~~Also~~ If you want we can visit it. I can recommend to go to the cinema because there is a new film part of the film "Spider Man". I like this film. But if you prefer something different, we can go skating to Ice-arena. It will be very exciting for us. To tell the truth, I ~~go~~ visit Batyr-mall every week, that is why I know a lot about it. In spite of that, it is the best (clothes shop in the town) and amazing shop in this town. What do you think?

What about transport, I can call a taxi or ~~even~~ even we can go by bus. In my opinion, the taxi is better, because it is faster than the car, but ~~is~~ only one problem: it is more expensive than bus. So it is (your choice) your (choice) choice.

So, when we can go? ~~At~~ this weekend I can't, because I am very busy at all, because I have a lot of work to do. In spite of that, I must to look after my little brother. He is only 4 years old, that is why I can't leave him alone. So, I can say, that I am free on the 6th March date. Is it ~~good~~ good for

you? If no, I can change it. May be, you can? I remember, you will be free only at 5 o'clock, because from 9 till 4 you have to go to work, so we can meet at 5 o'clock near the Central park and go by taxi.

Is it good for you? I suppose my advice will help you.

I have wrote you all what I know. So, you shouldn't forget money, wallet, passport and all useful things. Don't forget it. We will meet at 5 o'clock in the Central Park. I will wait for you there. Thanks for your letter! See you soon. Good luck! Bye!
