Hi Hollie! Just received your email. I fully agree with you, because teenagers from Kazakhstan are not really healthy.

There are a lot of steps to keep fit and be in a good shape. The most important thing to have a good health is your sleep. If you don't rest at night, your whole organism would not work correctly. Also, I try to do some exercises at my free time. Some push-ups won't be harmful.

Personally for me, it doing sport was difficult at the beginning. But then I got used to it. And now I enjoy running and playing football every morning. When you try to keep fit, it is good to have a healthy diet.

You must not eat sweets, fried food (e.g. and bread.

For example, for lunch I usually have boiled meat with salad. It gives you plenty of energy and is much better than fast-food or fried chicken with spaghetti.

To sum up, having a healthy lifestyle is not difficult. But if you don't have a want it, you will never be fit and healthy. Nowadays, it is very important to be healthy.

Your faithfully, Alen.
