Writing

D. Hello, Mollie

Oh, I worried about this problem too. In my country a lot of young people aren't very healthy too!

So, I sleep about 7-8 hours every night. I guess, this time of sleep is the best. Also I eat 3 times every day. I have breakfast, lunch and dinner. Moreover, sometimes I can eat between lunch and dinner. I always eat healthy food, for example: fruits, fish, some juice and many other. by the way, I also go to the gym, about 3 times every week.

In conclusion, these are all I do to stay fit and healthy. I hope my answer will help you. Thank you for your email. goodbye!

Kate.
