Hi sweetie, right now I'm in the hospital. I have a problem with my hand, I broke it. You are right, on this day so many people are not very healthy, because they don't visit doctors and they don't ~~seeing~~ think about "myself". Everyday I'm working out for my health and eating vegetables with fruits. When the clock rings at 10:00 PM, I faster run to the bed and fall in sleep.
