Hey, Anna! How are you? I would like to know your opinion about one problem in my country. Please, don't forget to answer my next questions.

Some young people in my country aren't very healthy. What do you do to stay fit and healthy? How much sleep do you get every night? Do you eat well? What do you know about healthy food?

To begin with, I would like to tell you about myself. Fortunately, I'm healthy. But of course it is because of my healthy lifestyle. I know you have some problems with health, because you like to eat junk food. So I can give you some advices.

Firstly, you have to eat more fruits and vegetables. You should refuse from eating junk food, and drinking soda.

Secondly, sport. I love sport. You know, I do karate, and not so long ago won gold medal at the Olympics. But you just can do some exercises, just to stay fit, and get muscles.

Thirdly, sleep. It is the most important thing in healthy life. 8 hours of sleep I get every night. And I feel myself as fit as a fiddle.

So, I will wait your answer.

Good bye,

with love,

your best friend Hollie
