Writing A

Hi Pat! I'm really happy that you wrote me. You know, I also want to buy some new clothes, because my clothes became old. Let's go together, I know some fine places.

You asked me what I liked to wear, first of all, I like wearing jeans, T-shirts, I also like patterns on my clothes, sometimes I like to wear skirts and dresses and they are all black, because I like dark colors. For shoes, I like to wear boots with strings, sneakers and also I like black shoes too. I think my style is comfort style, because I prefer comfort than beauty. Secondly, I also like wear my sister's clothes, she has so much cute and adorable dresses, which she let me to wear. But I must ask before take them, because she can become angry.

However, let's talk about shops. Shopping is my passion! I like buying things so much! And I also have some of my favourite places. My favourite shopping malls are "Artur", "Bakur Mall", "kvazar" and shop called "I.V.I. Fashion". They have a lots of selves with clothes and shoes, and bedevy and make up thing too. By the way, the clothes doesn't cost too much. All prices are cheap. I think cheap clothes are not bad or looks poor. I suppose that people shouldn't laugh on people, who wears a cheap clothes.

I really want to join buying clothes with you. Do you have any plans on Saturday morning? Because, I don't. You can write or call me, and we can discuss time together. Don't forget your purse! Bye!

All love.

Sefa
