Hi, Rob. I'm really amazed of this town, I like my new town. It's like when you see something like clouds - sweet and cute, with good smells. My new town is aesthetical and without bad views. There are a lot of schools, universities, child gardens. Also, bakeries, small shops, supermarkets, there always a huge amount of people. Sure, there are policemen, firemen and emergency room. But, I'm really interested in theatres and cinemas. My favourite cinema is Shaken Aimanov's cinema. However, in our town has another cinemas. I like our malls and city centres, like square, parks. It's difficult to live there without you, my parents, my friends, but I swear, that all of my problems will leave my brain and I'll be happy.

Really miss you, my friend.
Best wishes, Dasha.
