Writing

Hello, dear! That's a pity that your free time will be confined due to such unpleasant work! Honestly, I would recommend you to don't bother about it! But if you need some leading, I'll be obliged graciously to help you. What about me? I need to do plenty of school exercises too, for instance, some preparation for exams, geometry subjects exercises and others. On the contrary, I'd sooner go shopping instead of the work that doesn't give me any sense of gratification. But don't think that I'm so illiterate person because I don't prefer to do him in the holidays. For me, it's more satisfying to do exercises aren't considering school. Also, in the holidays I like dancing and playing the violin.

Don't postpone with you homework!
Waiting for your respond!
