Hi Peter!

I received your letter and I'm glad to know you are doing well. ~~We~~ <sup>as</sup> we have winter holidays too, but ~~the~~ difference is that we don't have to do any homework during holiday. Winter holiday in Kazakhstan last for two weeks from the end of December to the middle of the January. During our holiday we are gathering ~~to~~ with friends and relatives to celebrate New Year and participate in parades. All the houses ~~my~~ must be clear and shiny, because according to the legend a ~~magic~~ <sup>magical</sup> man with white beard bothers the street blessing friendly people and clean houses. During winter holidays young people display fireworks, build ice palaces, snowmans while elder people ask each other a forgiveness to make their souls free for a new year.

I'm writing this message after a play with snow balls. ~~man~~ usually do on the 4th of January. ~~There are a variety~~ There are a lot of ways to spend winter holiday with fun and I'm sure you'll be shocked with some of them, but we are living only ~~one~~ once so it's better now then never. It was a pleasure for me to tell you about our winter holiday. Would you like to spend winter holidays as a student in Kazakhstan?

Best wishes,

Aidar.
