Good morning Jack, how are you? How is your math test went? In my opinion, it was quite difficult. By the way, I forgot to return your dictionary on time. I am very sorry. It was my fault. Could you please forgive me for this situation? Today I have competition. It is significant to me and my parents. They are so worried about me. That is why I had to prepare to competition exercises yesterday. Therefore one of the tasks complained a lots of hard and old english words, so I used your dictionary to find their definitions. It was helpful. Over all, it was the main reason I could not see you yesterday. However, I bought some your favourite snacks to apologize. I hope you can forgive me. In conclusion, I want to bring the dictionary to your house at five o'clock today. Do you mind if I come to you after my competition? Also we can play video game after all. Thanks for your help. See you soon.
