Hi my dear friend!

I think a house with a garden is so cool. I want to live in house too, but now I live in the flat with my parents. It is small and boring. Our home is not similar to my dream house because my flat is not interesting. I want to have strange pictures, small statues and a lot of light in my future flat or house. I believe that near my dream home will be a garden or a park, because I love walking and I do it everyday. Also I like to cook and I want to have a big kitchen in my flat. I think you like your new house and you will text me about your life there.

Thank you for the message! Bye!
