Writing

Nowadays we can see changes in youngsters, that their interesting changes too. By this interesting they can use their free time. Free time is created by human, who uses and controls his time.

human, who uses and controls it.
Majority of Students can greatly use their leisure time. By changes in generation and centuries Interests of Students become differ than was. Young people have variety of hobbies Interrelated with developing of the World.

On the other way, in this life we have people, moreover big quantity of them is students, who can not use their time, consequently they have problems, which can destroy their life, like just sitting in front of the monitor.

In my own view, using a leisure time, furthermore we in an wonderful level depends on person, because this time only changes by our influence. So, I can see that teenagers are really can use their time well. They have everything to make their leisure more productive. For example, internet, it opened new ways to develop. In addition, leisure time is flexible. In addition

For example, in the next 4 weeks
In ~~case~~ concursion, our time is flexible. In addition
if you want have good use of free time, try to make
plan of your next day, before it starts
